MEMORANDUM FOR THE RECORD

SUBJECT: Possible Formal Coordination Between HPSCI and House
Committees on Foreign Affairs, Armed Services and
Appropriations

In a conversation on 5 November 1984, Mike O'Neil told me that there was talk among House Members that they might take action in the new Congress to require HPSCI to make monthly reports to House Foreign Affairs, Armed Services and Appropriations on significant intelligence matters which had come to the attention of HPSCI. Mike was uncertain whether such a proposal would be acceptable to the House, but he said it was being discussed.
